Dear Ms. Dortch:

On Tuesday, March 4, 2003, Joel Lubin and the undersigned, both of AT&T, met with Eric Einhorn, Diane Law-Hsu, Paul Garnett, and Vicki Byrd to discuss the issues raised in AT&T's Petition for Reconsideration and Clarification filed on January 29, 2003 in the above-referenced proceedings. Mark Lemler, also of AT&T, participated via conference call. As follow-up to that discussion AT&T today provided Jim Lande the attached illustrative example, based on information available in the public record, of rounding the universal service contribution factor to three significant digits.

One electronic copy of this Notice is being submitted to the Secretary of the FCC in accordance with Section 1.1206 of the Commission's rules.

Sincerely,

A handwritten signature in black ink that reads "Amy L. Alvarez".
